Amendment

Box: Amendment
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office action dated March 27, 2002, in the above-identified application, please amend the claims and consider the following remarks. A request for a two month extension of time is enclosed herewith.

IN THE CLAIMS

Please amend the claims as follows:

1. (once amended) A method for executing an application program associated with an electronic message, comprising:

initializing at least one application program after a first electronic message received over a network is selected by a first user, wherein the application program is received, at least in part, over the network after the receipt of the first electronic message and as the result of the selection
